Human Trafficking- Trafficking Victims Protection Act

In January 2014, the Arkansas UCR NIBRS Program began collecting offense and arrest data regarding human trafficking as authorized by the William Wilberforce Trafficking Victims Protection Reauthorization Act of 2008. The act requires the FBI to collect human trafficking offense data and to make distinctions between prostitution, assisting or promoting prostitution, and purchasing prostitution.

To comply with the Wilberforce Act, the national UCR Program created two additional offenses in the National Incident-Based Reporting System for which the UCR NIBRS Program collects both offense and arrest data. The definitions for these offenses are:

Human Trafficking/Commercial Sex Acts, 64A: inducing a person by force, fraud, or coercion to participate in commercial sex acts, or in which the person induced to perform such act(s) has not attained 18 years of age.

Human Trafficking/Involuntary Servitude, 64B: the obtaining of a person(s) through recruitment, harboring, transportation, or provision, and subjecting such persons by force, fraud, or coercion into involuntary servitude, peonage, debt bondage, or slavery (not to include commercial sex acts).

RUNAWAY (PERSONS UNDER AGE 18) 90I

A person under 18 years of age who has left home without the permission of his/her parent(s) or legal guardian. While running away does not constitute a criminal offense, each "handling" of a runaway should be reported. Include apprehension for protective custody. Detention (pickup) of runaways from one jurisdiction by another agency should be reported by the runaway's home jurisdiction.

Kidnapping/Abduction 100

The unlawful seizure, transportation, and/or detention of a person against his/her will or of a minor without the consent of his/her custodial parent(s) or legal guardian. Kidnapping/Abduction includes hostage situations as well. Although the object of a kidnapping may be to obtain money or property, this offense type captures information only on the persons actually kidnapped or abducted, not those persons or organizations paying ransoms. Therefore, for each kidnapping incident, law enforcement should report only those persons taken or detained against their will as victims. Kidnapping/Abduction is the only Crime Against Persons where LEAs must report property information. Property information is necessary so LEAs can report information regarding any ransom paid for the victim's release.
