By signing this document, I hereby provide the _____ permission to enter my personal data into the Federal Bureau of Investigation's (FBI's) Identity Theft File. This information may include, but is not limited to, physical descriptors and identifying information including my name, date of birth, place of birth, Social Security number, the type of identity theft, and a password provided to me for future identification verification purposes. I am also providing permission to enter my photograph and fingerprints into this file when that capability becomes available.

I understand that the FBI intends to remove this information from the NCIC active file no later than five years from the date of entry. I also understand that I may at any time submit a written request to the entering agency to have this information removed from the active file at an earlier date. I further understand that information removed from the active file will not thereafter be accessible via NCIC terminals, but it will be retained by the FBI as a record of the NCIC entry until such time as its deletion may be authorized by the National Archives and Records Administration.

I understand that this is a legally binding document reflecting my intent to have personal data entered into the FBI's Identity Theft File. I declare under penalty of perjury that the foregoing is true and correct. (See Title 28, United States Code [U.S.C.], Section 1746.)

The Privacy Act of 1974 (5 U.S.C. § 552a) requires that local, state, or federal agencies inform individuals whose Social Security number is being requested whether such disclosure is mandatory or voluntary, the basis of authority for such solicitation, and the uses which will be made of it. Accordingly, disclosure of your Social Security number is voluntary; it is being requested pursuant to 28 U.S.C. § 534 for the purposes described above.
