Overview of VINE

VINE is a free service that offers peace of mind to victims of crime by providing access to timely and reliable offender information. Victims have the ability to call a toll-free number, visit www.vinelink.com, or use the VINELink mobile app to anonymously check on an offender's custody status. Victims can also register to receive automated notifications about changes in custody status via their choice of delivery method: in-app, phone, email, or text. TTY (hearing impaired) service is also available.

- Completely confidential
- Accessible by desktop computer, mobile device, or phone
- Notifications by phone, text, email, or in-app
- Currently available in 48 states
- Trained victim service representatives available 24/7/365
- 195 languages available via live operator support

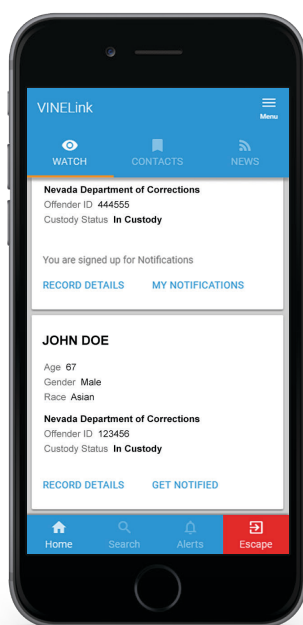

Annually, over 20 million victims of crime and concerned citizens use VINE to stay safe and informed.

In 2016, VINE users:

Completed **3.3M+** registrations

Received **40M+** notifications

Conducted **49M+** offender searches

New Features for Victims *(available in select states)*

In Spring 2017, Appriss Safety began the nationwide rollout of a greatly enhanced version of VINE in self-selected states. The new version of VINE leverages technology to provide an enhanced user experience and improve access to services for victims of crime. Some of the new benefits include:

- **Help Guide Me** - Find appropriate service providers using a self-guided workflow.
- **Offender Watch List** - Bookmark offenders to a personalized 'Watch List'.
- **Contacts List** - Save preferred service providers to your VINE account contacts list.
- **Interactive Voice Response** - Search for offenders using advanced voice and keypad technology.
