To: Governor Mike Bebee,
Members of the Arkansas General Assembly,
and the Citizens of Arkansas,

It is my pleasure to present to you the Arkansas State Police's 2006 Annual Report. The report reflects activity from January 1 – December 31, 2006 and includes number of arrests, amounts collected by the department, and disposition of cases.

The contents of this report reflect the ongoing effort of the Arkansas State Police to provide the highest standards of capabilities possible to the citizens of this great state. The report shows activity and accomplishments the Department has made in its effort to effectively serve the citizens of Arkansas.

The report was created from activity logs and records kept by each division and section within the Arkansas State Police. Highlighted in the report are agency information and section achievements. Throughout the report, you will find several charts that should assist in explaining agency operations.

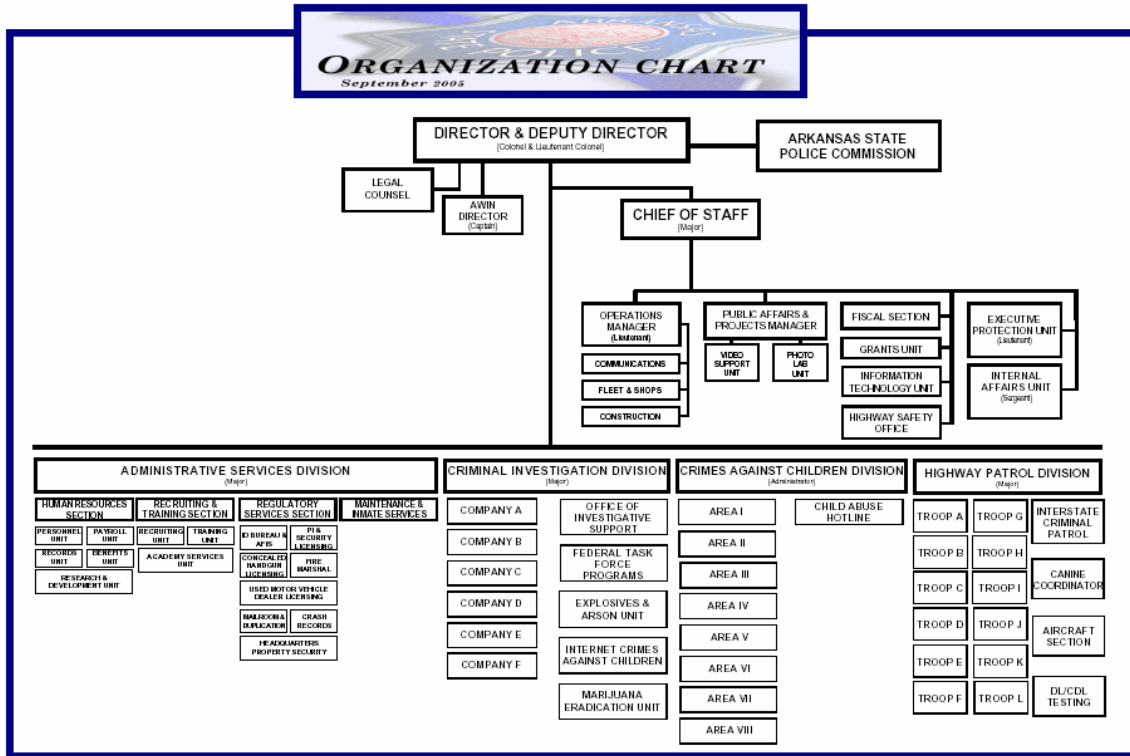

If you have any questions about this report or the operations of the department, please do not hesitate to contact me or any representative of the Arkansas State Police.

Respectfully submitted,

Winford E. Phillips
Colonel

Agency Information

The Department of the Arkansas State Police is responsible for enforcement of the traffic and criminal laws of the state of Arkansas. *See A.C.A. § 12-8-101, et seq.* This includes enforcement of the motor vehicle laws, traffic laws, highway safety laws, criminal laws, severe cases of child maltreatment, and other federal, state, and local laws relating to the protection and safety of Arkansas's citizens and their property.

During 2006, the Department of Arkansas State Police was organized into four separate divisions: the Highway Patrol Division, Criminal Investigation Division, Crimes Against Children Division, and the Administrative Services Division. There was also a Chief of Staff who administered several distinct sections of the department from the Director's Office.

MISSION STATEMENT

THE MISSION OF THE ARKANSAS STATE POLICE IS TO PROTECT HUMAN LIFE AND PROPERTY IN THE STATE OF ARKANSAS BY PROVIDING THE HIGHEST QUALITY OF LAW ENFORCEMENT SERVICES TO THE CITIZENS OF ARKANSAS.

GOALS

THE ARKANSAS STATE POLICE WILL MANAGE AND USE ITS RESOURCES WITH AN EMPHASIS ON CRIMINAL ACTIVITY AND UNSAFE DRIVING PRACTICES THAT POSE THE GREATEST THREAT TO THE CITIZENS OF ARKANSAS.

THE ARKANSAS STATE POLICE WILL DEVELOP PARTNERSHIPS WITH OTHER LAW ENFORCEMENT AGENCIES FOR THE PURPOSE OF PREVENTING AND SOLVING CRIMES, IMPROVING THE SAFETY OF ARKANSAS HIGHWAYS AND PROVIDING OTHER SERVICES TO THE CITIZENS OF ARKANSAS.

THE ARKANSAS STATE POLICE WILL MAINTAIN THE CONFIDENCE AND RESPECT OF THE PUBLIC BY CARRYING OUT ITS MISSION AND GOALS WITH INTEGRITY AND PROFESSIONALISM.

SERVING WITH PRIDE AND DISTINCTION SINCE 1935

Director's Office

Director: As executive and administrative head of the Arkansas State Police, the director has several responsibilities. The director's primary responsibilities include promoting the rules and regulations necessary for the efficient operation of the department; supervision and control of discipline and proper management of all the members and employees of the department; recommending for hire all members of the department; and managing the agency's budget, which is in excess of \$120 million. Serving at the will of the Governor, the director is responsible for all administrative and operational decisions of the department.

In addition to internal responsibilities to the department, by virtue of the position, the director serves the State in several other areas. The director is a member of the Governor's Cabinet, the supervisory board of the Arkansas Crime Information Center, the State Emergency Response Commission, the Alcohol and Drug Council, the steering committee of the Arkansas Wireless Information Network, the Child Abuse and Neglect Commission, Arkansas State Police Retirement Board of Trustees, the Arkansas Traffic Records Coordinating Committee, the Fire Protection Licensing Board, the Fire Prevention Commission, the Regulated Storage Tank Advisory Committee of ADEQ, and the Arkansas Homeland Security Committee. Additionally, the director currently serves the Governor as his representative for highway safety.

As Arkansas's highway safety representative, the director manages the Arkansas Highway Safety Office, and approves and administers Arkansas's highway safety plan. The plan addresses the human element of highway safety and directs federal funds and resources toward programs such as seat belt use and enforcement, impaired driving enforcement, and various occupant protection issues related to child passenger safety. The overall program requires the department to administer approximately \$30 million in federal funds that state and local agencies receive. Additionally, the director represents Arkansas at national meetings and conferences sponsored by both the Governor's Highway Safety Association and the National Highway Traffic Safety Administration.

In addition to the director's regular duties, the director is responsible for preparing and presenting the agency's legislative package. This includes biennial budget requests and all facets of agency operations. Between legislative sessions, the director actively meets with the Arkansas State Police Subcommittee of Legislative Council.

Colonel Steve Dozier served as Director of the Department of Arkansas State Police during 2006.

Arkansas State Police Commission

The Arkansas State Police Commission serves in an oversight capacity to the department. The commissioners have the statutory responsibilities of approving hiring and promotions recommended by the director, hearing disciplinary appeals, and oversight of the department's communications system, and the commissioned officers' health and retirement systems.

The commission is composed of seven members appointed by the Governor for seven-year terms, each with the advice and consent of the Arkansas Senate. Act 149 of 1999 now requires that four of the commissioners be appointed from the congressional districts in which they reside with three being appointed at large and no more than two commissioners representing the same congressional district. The commission meets at least monthly.

The following Commissioners served on the Arkansas State Police Commission during 2006:

Roger Meek, Jr.
Chairman
Fort Smith
Term: 2000-2006

Daniel "Woody" Futrell
Vice Chairman
Nashville
Term: 2001-2007

Warren Dupwe
Secretary
Jonesboro
Term: 2002-2008

Dr. Lewis Shepherd, Jr.
Arkadelphia
Term: 2004-2010

Charisse Childers
Blytheville
Term: 2003-2009

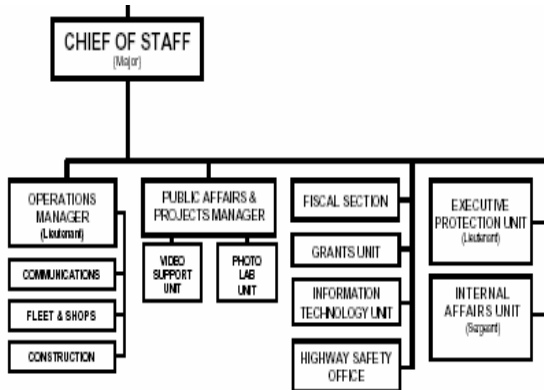

John W. Allison
Conway
Term: 2005-2011

Steve Smith
Little Rock
Term: 2006-2012

Chief of Staff

During 2006, the Chief of Staff had several distinct responsibilities for the Director's Office. The position supervised the Operations Manager, who is responsible for the agency's communications, fleet, shop, and construction; the Public Affairs and Projects Manager, who is responsible for video support and the photo lab; the Chief Fiscal Officer, who is responsible for the finances of the agency; the Grants Unit, which obtains and manages the agency's

grant funds; the Information Technology Administrator, who is responsible for the agency's computer and technology needs; the Administrator of Highway Safety Office, who administers federal funds to state and local agencies for highway safety projects; Executive Protection, which provides security for the Governor's Mansion, the Governor, Lt. Governor and their families; and the Internal Affairs Unit, which investigates improper conduct by department employees.

Then Major Tim K'Nuckles served as Chief of Staff during 2006. Major K'Nuckles was promoted to the rank of Lt. Colonel on June 1, 2007.

Fiscal Section: The Arkansas State Police's appropriated budget for 2006 included the following:

Regular Salaries	\$39,198,620
Extra Help	\$88,456
Personnel Service Match	\$20,958,098
Overtime	\$1,652,674
Operating Expense	\$18,702,645
Travel	\$339,178
Professional Services	\$2,447,319
Capital Outlay	\$14,768,591
Data Processing	\$52,000
Covert Operations	\$125,000
Grants	\$27,297,940
Refunds	\$3,000,000
Construction	\$1,700,000
Total	\$130,330,521

Fleet Report: The Arkansas State Police purchased a total of 243 vehicles. This included 51 Chevy Impalas, 14 Ford Tauruses, 110 Ford Crown Victorias, 40 Dodge Chargers, 2 Chevy Ext. Cab Trucks (maintenance section), and 1 Ford Ext. Cab Truck (auto shop), 3 GMC Trucks (OIS), 21 Dodge Trucks (CID), 1 Chevy Van (bomb squad).

The following table reflects the average number of miles driven per division, per vehicle:

Highway Patrol	471 Units	18,050 miles
Criminal Investigation Division	111 Units	14,947 miles
Crimes Against Children Division	72 Units	14,062 miles
Administration	52 Units	10,626 miles

Grants Section: The Arkansas State Police was awarded federal funding for the methamphetamine initiative, the interoperable communication project, Automated Fingerprint Identification System (AFIS) backend upgrade, and an automated commercial driver's licensing testing system installation. Continuation grants were awarded to further the Internet Crimes Against Children program and various highway safety programs including the Traffic and Criminal Software (TraCS) program.

Information Technology Section: The Information Technology Section supports approximately 1,200 desktops and laptop computers and peripheral devices along with 12 servers. The Section is responsible for all data connectivity and IT operations throughout Arkansas State Police headquarters, troop locations and satellite office locations. On the average, the Information Technology Section addresses 40-plus support calls per day while providing support on a 24-hour, seven-days-a-week basis to sworn and non-sworn personnel. The Information Technology Section is responsible for all database management; server configuration/management, IT specifications/purchases; wireless connectivity in the trooper's unit; wireless connectivity at troops, SSL licensing, LAN management; application software licensing/renewals; data security; operating systems/updates; software suites and specialized applications; antivirus protection; network utilization; dedicated circuit management, management of switches, routers and firewalls; CAT5 and CAT6 wiring, end user system configurations, and special interfaces with non-Arkansas State Police systems.

Some of the larger projects the Information Technology Section supports are: Traffic and Criminal Software (TraCS), Automated Fingerprint Identification System (AFIS) and Commercial Driver's Licensing (CDL). The Section is responsible for the training, deployment, updates and on-going support of TraCS on a 24-hour, seven-days-a-week basis which includes all highway patrol enforcement personnel. The Section also provides support for AFIS on a 24-hour, seven-days-a-week basis and provides support to CDL operations throughout the State.

Highway Safety Office: The Highway Safety Office administers state and federal highway safety funds and oversees highway safety program efforts supported by these funds for the state of Arkansas. The Highway Safety Office develops an annual highway safety plan, which identifies traffic-related safety problems in Arkansas and recommends programs most effective in reducing traffic fatalities, injuries, and crashes. A performance plan was prepared which describes the state's highway safety problem identification process and identifies the state's highway safety benchmarks and goals. The highway safety plan describes the strategies for meeting the goals outlined in the performance plan and allocation of highway safety funds.

The Highway Safety Office implemented projects and facilitated activities and programs which contributed toward reaching the state's goals. The Office recognizes the achievement of quantified goals is dependant not only on the work of its office, but also on the collaborative and ongoing efforts of a multitude of governmental and private entities involved in improving highway safety in Arkansas. Below is a list of the grant agreements and contracts funded during fiscal year 2006.

Project		Recipient/Contractor	Fed. HSP Amount	Fed. Expenditures
1	AL	Criminal Justice Institute	\$ 310,800.00	\$ 249,977.40

Public Affairs and Projects Section: For the calendar year 2006, the Public Affairs and Special Projects Office assisted with news media inquiries, coverage, and project development within each of the four Arkansas State Police divisions.

Personnel assigned to the section office initiated planning and outline drafts for four major video projects, specifically a promotional video for deployment of the Highway Patrol TraCS units, Highway Patrol Criminal Patrol operations, Criminal Investigation Division new agents school overview, and a driving while intoxicated prevention education program.

In excess of 125 Freedom of Information Act requests directed to multiple department record repositories passed through the projects office for inspection and guidance or formal response.

The office personnel responded to requests for community meetings that included monthly reports presented to the Southwest Little Rock United for Progress, representatives of the Japanese Consulate regarding emergency evacuation preparedness education for Japanese nationals residing in Arkansas and advocacy groups charged with monitoring implementation of racial profiling laws.

Beginning on the evening of February 17th and for two subsequent days, the public affairs office was activated to provide online updates to Arkansas and out of state travelers attempting to negotiate ice covered highways.

Among some of the more notable assignments directed to the office included:

- Coordinate department response to officer involved shooting in Benton County;
- Multiple Amber Alert activations;
- Extended training and certification in National Incident Management System;
- Training in development of department records retention policy and practices;
- Development and construction of new department photo lab and multi-use studio; and
- Multiple holiday travel and highway safety news events

Photo Lab: During 2006, revenue was \$25270, up \$5820 from last year. Film processing continues down 539 rolls (310 less). The lab used 2,848 8x10s of inkjet paper and 3,502 8x10s of RA-4 paper. The chart below displays an accounting of photo lab activities:

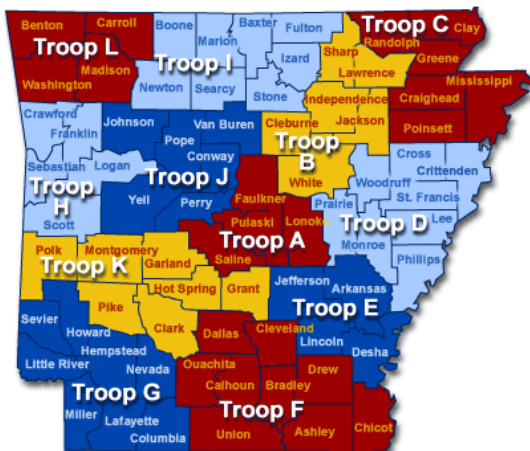

Income – Lab Sales							
	Proceeds		Film Processing		Wet (Process)		Digital (Process)

Highway Patrol Division

The Highway Patrol Division is responsible for enforcement of the motor vehicle and traffic safety laws of the state of Arkansas, including driver license testing for both regular and commercial drivers. The Division is comprised of 12 troops throughout the state, and includes Interstate Criminal Patrol, which are teams that will aggressively enforce Arkansas's motor vehicle and criminal laws with a special focus upon identifying potential terrorist activity, criminal organizations, fugitives, and persons using Arkansas highways to transport illegal drugs, weapons, or perpetrating other types of

crimes; a Canine Coordinator, who coordinates K-9 and handler training throughout the agency; an Aircraft Section, which provides air transportation to support the mission of the Arkansas State Police, and transportation for other state employees, including those in the executive and legislative branch. Major Ed Wolfe commanded the Highway Patrol Division during 2006.

The following pages list an accounting of specific enforcement activity performed by each highway patrol troop. In addition to the activity listed below, the following should be noted:

- The fatal accident count was 520;
- Troops conducted 795 sobriety checkpoints;
- Troopers worked 12,042 hours as part of an overtime grant program concentrating on seat belt and DWI enforcement;
- Evacuation routes for the CSEPP Chemical Stockpile Emergency Preparedness Program as well as Arkansas Nuclear One in Russellville were prepared;
- Assistance was also given to FEMA with hurricane evacuation routes and temporary housing;
- The Division provided support with Marijuana Eradication;
- The Division developed protocol in conjunction with the Department of Health and Human Services, Arkansas Game and Fish, and Camp Robinson Department of Public Safety for the security and deployment in the Strategic National Stockpile Program.

- Troops responded and investigated all railway train crashes and incidents as well as support and supply services to all requested advanced reconstruction crash scenes;
- Troops enforced all alcohol and liquor violations involving underage persons as well as working with the Office of Child Support for Alcohol and Drug Abuse involving underage persons for all 75 counties;
- Speeding regulations were enforced involving aviation support;
- Assisted the Arkansas Game and Fish with air and ground support;
- Security and support were provided to all major events involving public gatherings, including the Arkansas State Fair;
- Assisted and provided support during ASP Troop School;
- The Division assisted all law enforcement agencies with warrant applications and taking known criminals into custody;
- Troops maintained and provided manpower for large scale manhunts;
- Troops provided security and assisted in escort services for the United States Military;
- When requested, investigated aviation crashes and incidents;
- Assisted all requesting law enforcement agencies with detection of drug use involving individuals arrested for DWI;
- Assist and enforce laws regarding Arkansas Tow and Recovery;
- Gave assistance to the Arkansas Department of Emergency Management on the New Madrid Seismic Zone Catastrophic Planning;
- Oversaw and assisted with the Morgan Nick Amber Alert System;
- Maintained support staff and security during the devastation of the Dumas Tornado;
- The Division's Interstate Criminal Patrol Team which is comprised of 12 uniformed officers and one Lieutenant accomplished the following in the year 2006: 4,517 pounds of Marijuana seized; 298 pounds of Cocaine seized; 25,800 in assorted pills seized; 1.7 pounds of Meth seized; and \$1,789,171.00 in U.S. currency seized.

During 2006, the Aircraft Section received 300 flight requests:

- 244 requests were made from within the department; and
- 79 requests were made from federal, state or local agencies.

The results of the requested flights are as follows:

- 249 flights completed as requested;
- 17 flights cancelled by the requester prior to the flight;
- 34 flights cancelled due to weather, availability or maintenance issues; and
- 88% mission completion rate.

Flight Requests 1996-2006

The Aircraft Section flew 643.7 hours during 2006. The hours consisted of:

- 174 hours flown by King Air, N930SP;
- 218.6 hours flown by helicopters, N529SP and N528SP; and
- 251.1 hours flown by Cessna 182, N521SP.

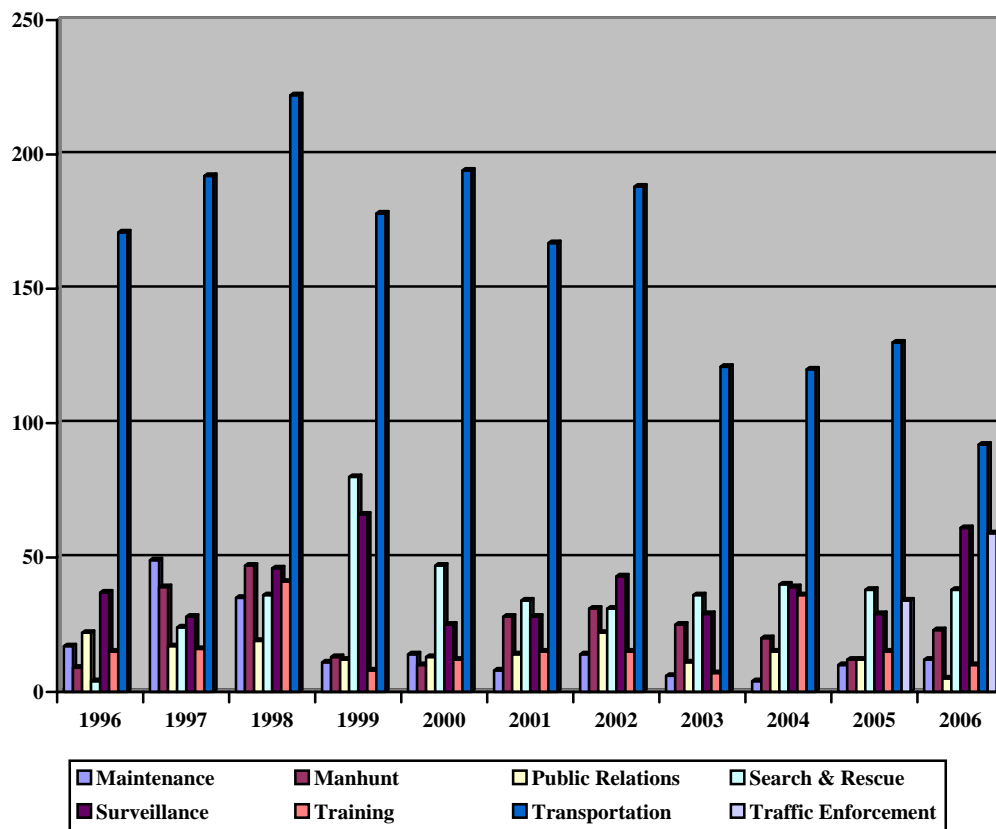

The purposes of the missions requested were as follows:

- 92 transportation missions;
- 38 search missions;
- 61 surveillance missions;
- 59 traffic enforcement missions;
- 12 maintenance missions;
- 5 public relations missions;
- 10 training missions; and
- 23 manhunt missions.

The following chart compares the purpose of flight requests from the years 1996 through 2006.

Purpose of Requests 1996-2006

Criminal Investigation Division

The Criminal Investigation Division is responsible for criminal law enforcement, including drug enforcement and all other non-traffic enforcement activities of the department. The Division is comprised of six companies located throughout Arkansas. The Division also includes the Special Operations Section, which assists criminal investigators with intelligence gathering and dissemination; Internet Crimes Against Children Section, which overtly and covertly works with other local, state and federal agencies to prevent and prosecute internet crimes against children; Federal Task Force Programs, which include Arkansas

State Police investigators working with the Drug Enforcement Administration and Federal Bureau of Investigation; the Marijuana Eradication Section, which utilizes grant funds to curb marijuana growth and usage in Arkansas; and the Explosives and Arson Unit, which responds to bomb and other explosive threats in Arkansas. Major Cleve Barfield commanded the Criminal Investigation Division during 2006.

The Criminal Investigation Division had the following case activity for 2006:

Company A	Cases Opened	283	Company B	Cases Opened	550

Special Operations Section:

Marijuana Eradication Program: The Marijuana Eradication Program is grant funded and designed to curb marijuana growth and usage in Arkansas. The program made a total of 32 arrests; seized 10 weapons and \$10,000 in cash assets; flew 400 helicopter hours with the Arkansas National Guard and 46 helicopter hours with the Arkansas State Police over 29 counties; and received 46,030 plants that were turned in by counties, special operations, and commercial contractors.

Special Weapons and Tactics (SWAT): SWAT consists of a group of highly motivated officers from various sections within the department. These individuals are involved in a minimum of 160 additional training hours per year geared toward specific threats. While the majority of the Arkansas State Police SWAT callouts are hostage/barricaded situations, the officers are trained in various less-lethal methods, high-risk vehicle assaults, linear (bus/airplane) assaults, and commercial and residential entry techniques. Team members are readily able to complete any mission set before them by the department, and they are willing to assist any federal, state, county, or local department that requests help. The team members are dispersed across the state which allows for immediate response to tactical situations by several members, while the remaining team members answer calls for assistance. Many team members are instructor certified and help with training at the troop level and with the training of new recruits. In 2006, SWAT was activated 5 times and was placed on stand-by status twice. Two of the callouts this year involved hostage type situations where shots were fired. The team also

assisted with hurricane relief at Fort Chaffee to help state and local officers with evacuees.

Crisis Negotiation Team: The Crisis Negotiations Team (CNT) responds every time SWAT is activated. The CNT is comprised of three teams that are assigned to one of three regions of the State. When activated, a 6 member team is dispatched while the other teams are placed on stand-by status in case the call becomes protracted. The CNT's primary mission is to resolve critical situations through communications. Each team member is required to complete two separate weeks of specialized training provided by the FBI. Also, members are required to attend two days training on a bi-monthly basis.

Bomb/Arson Unit: The Bomb/Arson Unit responded to 79 incidents. These incidents included the following:

- Render safe procedures on actual improvised explosive devices 20
- Examination of suspected improvised explosive devices 21
- Recovered explosives 9
- Destruction of contraband explosives 21
- Bomb threat responses 2
- Post blast investigations 2
- Arson "origin and cause" investigations 4

Internet Crimes Against Children Section: The Internet Crimes Against Children Section is a grant funded task force implemented to overtly and covertly investigate internet crimes against children, as well as provide computer forensic assistance to aggressively prosecute such crimes, and public education to help prevent internet crimes against children.

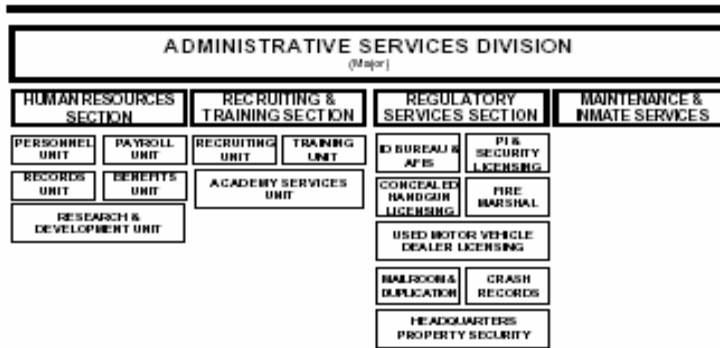

The activity reflected below is expected to significantly increase in the following years due to time spent in 2005 on building, organizing, and training the task force members.

Administrative Services Division

The Administrative Services Division is responsible for providing support for the daily operations of the agency. This includes the Human Resources Section, which is comprised of the Personnel, Payroll, Records, Benefits, and Research and Development Units. Responsibilities include, but

are not limited, to the hiring process, personnel actions, coordination of the ASP Health Plan and a third party administrator, all other employee benefits, processing the bi-weekly payroll, and constantly striving to facilitate a productive work environment. Other sections under this division are Recruiting and Training, which is responsible for recruiting efforts, training, and academy services; Regulatory Services, which operates the Automated Fingerprint Identification System (AFIS) and Identification Bureau, Concealed Handgun Carry Licensing, Private Investigator and Security Agency Licensing, Used Motor Vehicle Dealer Licensing, Fire Marshal's Office, Mail Room and Duplication, Crash Records and Headquarters Property Security. This section is also responsible for the licensing and regulation of fireworks displays and sales, regulation of dealers of precious metals, and sales of blue lights. Maintenance and Inmate Services is also a component of this division. Major Kathy Sparks commanded the Administrative Services Division during 2006.

Human Resource Section: There were over 678 personnel transactions recorded within the Human Resources Section during 2006. Among the transactions were 119 hires, 136 promotions (includes special language promotions), 49 reassignments, 98 voluntary resignations/retirements, 11 military activity, 3 disciplinary actions, 14 DROP enrollments, and 212 address and name changes.

There were 17 commissioned advertisements resulting in either a promotion or lateral transfer, and over 118 civilian advertisements.

The payroll unit processed certificate pay of \$356,700 to eligible commissioned officers and Career Ladder Incentive Program (CLIP) promotions and/or bonuses were awarded to civilian employees totaling \$344,868. In addition, career service payments totaling \$219,900 were paid to eligible employees.

ASP personnel donated over 8,740 hours to the catastrophic leave bank to be used by other employees experiencing situations which met a qualifying need. These donated hours are valued at more than \$222,000.

Other activity in the Human Resources Section included the processing of:

- Worker's Compensation Forms 59
- Family Medical Leave Act Requests 41
- Catastrophic Leave Requests Approved 4 totaling 1,595 hours
- Time Audits 34
- Garnishments 16
- Proof of Prior Employment 6
- Bank Information Change 42
- Stipend Payment 48
- Pre-employment background checks 74

ASP was authorized 1,020 positions during 2006. However, the budget placed a cap on the number of ASP employees at 983. For the year, we averaged 93% of this number.

Recruiting Section: The Recruiting Section contacted 800 applicants to take the written test to become a commissioned officer. Of the applicants contacted, 256 took the written test. The Recruiting Section conducted 287 physical assessment tests, and compiled 152 hiring packets for staff review. As part of the hiring process, the Section reviewed 127 polygraph results for disqualifiers, administered 87 background checks, coordinated 75 oral interviews, 90 medical and psychological examinations, and composed 91 hire letters.

As part of the recruiting process, the Recruiting Section visited 27 Arkansas schools at levels ranging from elementary through high school to promote the positive image of law enforcement and the Arkansas State Police. Recruiters attended 8 ball games, school functions, and spoke to individual classes. Recruiters also spoke to 10 college and university classes as well as represented the Arkansas State Police at 24 career and job fairs.

The Recruiting Section held the 2nd Annual Arkansas State Police Preparatory Trooper Academy in the summer of 2006. Sixteen students graduated from the one week, in-residence academy.

The Recruiting Section also coordinated random drug testing for 600 employees.

Training Section: The Training Section trained 32 recruits in a 22-week, 1176-hour troop school. It also held a 110-hour Special Police Training Course for civilian security at the Governor's Mansion. In addition, the Training Section presented 99 in-service training classes for a total of 1012 training hours for incumbent employees. Training classes included radar certification and refresher, cardiopulmonary resuscitation (CPR), National Incident Management System (NIMS), firearms training, first-aid, pursuit driving, emergency vehicle operations, violent encounters resolution system, electronic control devices, pepper spray, crash investigation, advanced crash investigation less than lethal use of force, sub-machine-gun

training and instructor development, scenario based instructor training, advanced force and control instructor, ASP dog-handler course, Magnum spike training, live fire instructor training, traffic and criminal software, the human element, basic auto theft, defensive tactics instructor course, knoppix for first responders, major case conference, mobile hostage recovery/vehicle assault course, crisis negotiation, defensive tactics instructor course, several 32 hour in-service firearm and VERS courses.

Regulatory Services Section: The following is an accounting of specific licensing, permitting, and other transactions performed by the Regulatory Services Section:

Concealed Handgun		Precious Metal Dealers	
Applications	6,257	Registered (current only)	4
Renewal Applications	6,150		
Applications for Transfer	93	Crash Reports

		Fireworks Licenses Issued	383
		Building Plans Reviewed	52
		Inspections	33
		Above-ground storage tanks permitted	159

Maintenance and Inmate Services Section: The Maintenance Section is responsible for all upkeep and maintenance, lawn care, grounds maintenance and clean up of the Arkansas State Police headquarters and training academy property. All needed grounds maintenance, mowing, trash, and brush removal continues to be conducted at these areas on a weekly basis.

On a continual basis, the Tower Site Maintenance Section continues with its responsibilities of regular maintenance of the statewide Arkansas Wireless Information Network, as it did in the past when the system was primarily the ASP radio communications tower sites.

The Maintenance Section also continues to conduct regular preventative maintenance, janitorial work, and grounds keeping for the Arkansas State Police Aircraft Section at its Little Rock Airport location.

Inmates assigned to the Governor's Mansion are assigned to janitorial positions, inside services, food preparation and catering, building renovation, and grounds maintenance. Other inmates are assigned to the Arkansas State Police headquarters working in janitorial positions, minor building maintenance, radio installation, vehicle maintenance, and carwash and detail shop.

Each month, numerous trips are made to the Arkansas Department of Correction Wrightsville Unit for sick calls, picking up medication, laundering of inmate clothing, parole hearings and various other purposes. Food items for inmate services are picked up from the ADC Pine Bluff Central Warehouse on a monthly basis.

Examples of the specific assignments and their frequency are outlined below.

Tower Site Work Completed

Tower Site Visits	251
Weed and Grass Control - Tower Sites	198

Repaired/Serviced Tractors & Implements	11
Aircraft Section Maintenance/Janitorial Duties	7
Inmate Program	
Supervised On An Average Of 42 Inmates	Daily
Conducted Searches Of Living Areas-Shops-Kitchens-Grounds	57
Escorted Inmates To Unit For-Medical-Laundry-Hearings-Interviews	112
Picked Up Food From ADC Monthly	12
Escorted Medical Services For Sanitation Inspection	1
Communication With ADC Official/Warden	Daily & Weekly

Crimes Against Children Division

The legislature created the Crimes Against Children Division (CACD) as part of the Arkansas State Police “to provide competent and thorough child abuse investigations which are sensitive to the needs of children and families.” The Legislature further said that “it is difficult for caseworkers with the Department of Human Services, which is currently charged with the responsibilities of investigating child abuse and providing services to children and families, to separate their dual roles as investigators and service providers.” Using this legislative path, CACD was established and began operating the state-wide child abuse hotline and

conducting investigations of severe child maltreatment in conjunction with law enforcement agencies. Since that time, child protection and prosecution of offenders has been the mission of the Division. The Crimes Against Children Division was commanded by Pam Davidson in 2006.

Hotline: The Child Abuse Hotline received 50,640 telephone calls. Of these calls 28,004 were accepted as valid allegations of abuse and neglect. These investigations were assigned for investigation to CACD investigators or to the Arkansas Department of Human Services (DHS) Division of Children.

Investigation Section: The CACD Investigations Section was assigned 6,439 investigations in 2006. Of this number 6,061 were assigned as Priority 1 allegations and 212 were assigned as Priority 2 (Referrals often have more than one allegation to address during the investigation.) Priority 1 referrals are the most serious allegations and the less serious allegations are labeled as Priority 2 cases. CACD Investigators closed 6,072 investigations in 2006 and 43.3% were closed with a True Finding.

The Types and number of Priority I allegations during 2006 were:

- Abandonment – 14
- Abuse W/A deadly Weapon – 108
- Bone Fracture – 136
- Brain Damage/Skull Fracture – 28
- Burns/Scalding – 216
- Cuts, Bruises, Welts – 84
- Death – 16
- Failure To Protect – 303
- Failure To Thrive – 3
- Immersion – 10
- Indecent Exposure – 243
- Internal Injuries – 8
- Juvenile Aggressor – 5
- Malnutrition – 2

- Medical Neglect of a Disabled Infant – 0
- Oral Sex – 717
- Poisonous/Noxious Substance – 112
- Pornography – 278
- Sexual Contact – 2,696
- Sexual Exploitation – 139
- Sexual Penetration – 2,233
- Subdural Hematoma – 35
- Suffocation – 279
- Threat Of Harm – 56

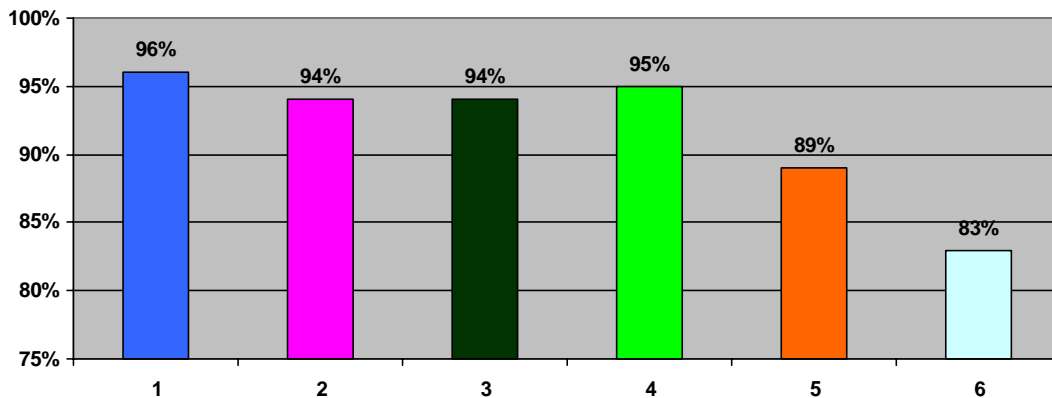

Of the total number of Priority I allegations, 6,306 (82%) involved sexual abuse, indecent exposure and pornography.

The CACD is evaluated on 8 performance indicators of compliance with Angela R. requirements, which were set in a consent decree in the 1990s during federal court proceedings. It also is a part of an agreement between CACD and DHHS.

The indicators are:

1. The alleged victim(s) in Priority I reports is seen by the investigator within 24 hours.
2. The alleged victim(s) in Priority II reports is seen by the investigator within 72 hours.
3. All children in the home are seen during the investigation.
4. The alleged victim(s) is interviewed (or observed) outside the presence of the alleged offender.
5. Parents/caretakers are interviewed in all investigations.
6. Investigations are concluded within 30 days of receipt of the allegation.

By contract with DHS, CACD is required to meet a minimum of 85% compliance in each performance indicator. The following chart shows the average compliance for the year 2006. The line numbers above are used as identifiers.

Personnel: The Hotline employed an average of 25 operators with 26 budgeted, four Hotline Supervisors and one hotline administrator.

CACD employed an average of 59 investigators with 63 budgeted, nine investigation supervisors and one investigation Administrator.
