

12-10-317. Public safety answering points – Operations –
Rights, duties, liabilities, etc., of service providers

- (a) A public safety answering point and dispatch center designated by the chief executive of the political subdivision may be considered an element in the communications network connecting state, county, and local authorities to a centralized state depository of information in order to serve the public safety and criminal justice community.
- (b) A public safety answering point and dispatch center is restricted in that it may access files in the centralized state depository of information only for the purpose of providing information to:
 - (1) An end user as authorized by state law; and
 - (2) An authorized recipient of the contents of those files, in the absence of serving as an information service agency
- (c) The designation of the public safety answering point as an information provider to an authorized recipient and an agency of a political subdivision shall be made by the chief executive of each political subdivision.
