Crime Lab Update

➤ *Financial*

Kermit Channell gave the following financial update: FY2020, there is \$8,601,633 remaining in appropriations of general revenue. 1VM fund – asset forfeiture funds are down everywhere but it should still pick up. ACT 65 (Uniform Filing Fee) comes in relatively consistent; annual collection is expected to be \$1,635,179. We have received the following new grant awards:

- DNA Capacity - \$919,263

- Coverdell - \$272,275
- FARS - \$346,000
- ADH - \$614,232

Cindy Moran gave the following update on the FARS grant and the ADH grant: FARS is specifically for the Toxicology section to purchase new equipment, (2) immunoassay systems. We'll put one here in Little Rock and one in Lowell. ADH – Health Department funding is a 3 year grant cycle. Part of it is specifically for toxicology supplies and a head space analyzer for the Lowell lab. ADH had \$200,000 left over from last year which was awarded to the crime lab.

 - Chief Jackie Davis will not be attending any future Board meetings
- Medical Examiners - authorized:
 - 6 Associate Medical Examiners (1 vacant)
 - 1 Chief Medical Examiner
 - Seeking approval from Legislative Personnel Committee to offer top salary of \$270,455.00

➤ *Charity & Outreach Projects:*

Cindy Moran gave the following update: 80 hours of training provided at various venues. Lots of Halloween festivities coming up.

Chuck Graham asked what the difference is between analysts and technicians. Kermit Channell answered that while both positions still require a degree, it takes less time to train a technician and then they could more easily transition to an analyst position when needed.

Chuck Graham motioned to adjourn, Judge Johnson seconded that motion, and the meeting was adjourned @ 11:56 a.m.
