Bill Sadler
Public Information Officer

Corporal Elizabeth Hoffman
Public Information Officer

The DPS Public Relations Section is an integral exchange center for information disseminated to the Arkansas public and the state's news organizations seeking to know more about the largest statewide law enforcement agency and its internal operations.

Led by Public Information Officer Bill Sadler, three positions are devoted to keeping the section operational. In addition to Sadler's 25 years of service predominately devoted to interacting with national and local newsrooms, Corporal Elizabeth Hoffman coordinates all social media postings and maintains the division's website. Jonathan Nettles supports the public affairs section with multi-media productions in the form of video and photographs.

The Public Information Officer is a 24/7 365 point of contact for newsrooms big and small. During 2021 the on-call PIO averaged approximately 50 inquiries weekly from news organizations and responded with 1,430 unilateral statements. Additionally, the PIO distributed approximately 1,000 general news releases nationwide.

During 2021 more than 310,000 people received news and information about the Arkansas State Police through the division's social media platforms (Facebook, Twitter, Instagram, and TikTok).

Subscribers to the ASP Facebook account received news and topical information from the state police daily with 334 posts reaching 25,000 – 55,000 citizens.

**NEWS
RELEASE**

The DPS Legal Section and Legislative Affairs Section provides advice and legal counsel to the Director, Deputy Directors, and the Division Troop and Company Commanders in civil, criminal, administrative, personnel, and disciplinary matters. The Legal Section provides consultation for investigations conducted by the Office of Professional Standards, represents the Director in all disciplinary cases appealed to the Arkansas State Police Commission by commissioned personnel and administers appeals on behalf of ASP to the internal Complaint Review Board for non-commissioned employees as well as the State Employee Grievance Appeal Panel (SEGAP). The Legal Section reviews all subpoenas and service of legal process and determines the appropriate action and legal response.

The Legal section provides representation for the agency before the Arkansas State Claims Commission as well as in state courts for appeals from regulatory and licensing decisions. The Legal Section manages litigation where the Division and its employees are represented by the Arkansas Attorney General's Office in civil lawsuits filed in federal court. The Legal Section is also responsible for reviewing contracts and Memorandums of Understanding on behalf of the Division, and for drafting and reviewing legislation. Legal Section personnel receives and respond to all requests submitted under the Arkansas Freedom of Information Act (FOIA). Various training is provided to Division units, personnel, and trainees by the Legal Section. In 2021, the Legal Section was staffed by DPS Chief Legal Counsel Cody Hiland, ASP General Counsel Hugh Finkelstein, Attorney Specialists Joan Shipley, Amanda Yarbrough, and Tess Bradford.

Bridget White
Highway Safety Office Administrator

The Highway Safety Office (HSO) administers state and federal highway safety funds and oversees highway safety program efforts supported by those funds for the State of Arkansas. The HSO develops an annual highway safety plan, which identifies traffic-related safety problems in Arkansas and recommends programs most effective in reducing traffic fatalities, injuries, and crashes. A performance plan was prepared which described the State’s highway safety problem identification process and identified the State’s highway safety benchmarks and goals. The highway safety plan described the strategies for meeting the goals outlined in the performance plan and allocation of highway safety funds. The HSO implemented projects and facilitated activities and programs that contributed toward reaching the State’s highway safety goal. Projects and activities implemented included but were not limited to:

- **Selective Traffic Enforcement Projects**
- **Safe Communities Projects**
- **Child Passenger Safety Projects**
- **A Teen Driver Safety Project**
- **DWI Courts**
- **eCrash/eCitation Projects**
- **Law Enforcement, Judicial and Prosecutor Training**
- **Public Information and Awareness Campaigns**
 - Click It or Ticket
 - Drive Sober or Get Pulled Over
 - U Drive U Text U Pay
 - Speed: Obey the Sign or Pay the Fine
 - Toward Zero Deaths
 - Look Twice for Motorcycles – Share the Road

The HSO recognizes that the achievement of quantified goals is dependent not only on the work of its office but also on the collaborative and ongoing efforts of a multitude of governmental and private entities involved in improving highway safety in Arkansas. HSO expenditures for Calendar Year 2021 were approximately \$8.5 million.

Staff within the Administrative Services Division (ASD) are responsible for providing guidance to the Director's Office, command staff, management, and supervisors regarding training, recruiting, and workforce issues. They also maintain liaisons with other state entities, representing the division at legislative proceedings, and conduct Line of Duty Death Benefit briefings for various law enforcement agencies. Furthermore, the ASD staff are responsible for presenting monthly reports to the Arkansas State Police Commission regarding uniformed personnel matters and the ASP Uniformed Health Plan.

The ASD is responsible for oversight of the Sergeant and Lieutenant promotional process. Arkansas State Police hosts promotional testing for commissioned officers every two (2) years with an average of 200 eligible candidates. The ASD coordinates candidate testing and location selection for the written examinations, assigns Test Proctors to oversee testing at each off-site location, and coordinates the off-site Oral Board exams. This is a lengthy process which takes up to eighteen (18) months of preparation.

The ASD works closely with personnel who are members of the National Guard and Reserve forces to ensure a seamless process for these employees who transition from full-time employment status to inactive status during periods of military leave. The ASP Training Staff work hard to ensure these military members meet all mandatory training requirements.

Training Unit

The Arkansas State Police (ASP) Training Staff consists of eleven (11) commissioned officers and three (3) non-commissioned employees. Together, they are responsible for coordinating and implementing all levels of training for the Division. The Training Unit responsibilities include, but are not limited to, Troop School planning and coordination, Canine training, the Training Academy management, Physical Fitness training, Use of Force and Pursuit Driving basic/remedial training, TASER training, Radar training, Firearms training, Violent Encounter Resolution Skills (VERS) Defensive Tactics training, Active Shooter training, Instructor

Development training, Arkansas Healthy Employee Lifestyle Program (AHELP) coordination, Drug Recognition Expert coordination, Field Training Officer Training Program coordination, Riot Control training, Blood Alcohol Concentration (BAC) testing certification coordination, assisting with the ASP Promotional Process, body armor replacement, equipment maintenance, and other duties as assigned. One (1) member of the training staff serves as the State Firearms Instructor and the ASP Armorer. The responsibilities for this position include issuing and maintaining inventory, ordering all ammunition and firearms for the Division. The Armorer assists with any needed firearm repairs and is responsible for coordinating the Wrightsville firing range schedule to include maintaining the supplies and scheduling any needed maintenance.

In 2021, the Training Section presented, coordinated, and/or certified 860 training hours for the 2021-A Troop School. This training culminated in the graduation of thirty (30) newly commissioned troopers for Arkansas. Training classes include, but were not limited to, basic and advanced firearms training and qualification, Active Shooter Training, Emergency Vehicle Operations, Violent Encounter Resolution Skills (VERS) course, Bias-Free Policing training, an X2 Taser course. The ASP SWAT Team, ERT, K9 Teams, and Hostage Negotiator Teams logged over 600 hours of training across their respective units. The 2021-A Troop School conducted EVOC,

Traffic Stop, and Accident investigation training on the new track. The training section also hosted twenty-five (25) courses at the driving track facility. During 2021, the road and traffic control signs were added, groundwork began for the Auto Shop and Safety Tower and K9 Kennels were built behind the training facility.

Recruiting Unit

To recruit the most qualified personnel for the position of an Arkansas State Trooper, the Recruiting Unit works diligently to promote the Arkansas State Police at every opportunity.

In addition to the recruitment efforts, the Recruiting Unit is responsible for administering Trooper applications. This begins with the Initial Contact Form, followed by scheduling and administering the physical assessment test, written exam, polygraph testing, background investigations, and the oral interview process, which are all hiring and selection requirements for future recruit school applicants. The recruiting staff received 382 Initial Contact Forms for the 2021-A Troop School.

In 2021, recruiting staff contacted a total of 226 applicants to take the physical assessment and written examination to become a commissioned officer. Of the applicants contacted, 136 took the Physical Assessment Test. As part of the hiring process, the Recruiting Unit conducted 111 written tests, reviewed 77 polygraph results, and administered 70 background investigations. From the background investigations, 54 applicants were selected to advance to the final two stages in the hiring process which took place in November and December of 2021.

ASP Benefits and Health Plan

The Administrative Services Division (ASD) is responsible for Medical, Pharmacy, Dental, Vision, Life Insurance, and Long-Term Disability for members consisting of active and retired employees and eligible spouses and dependents for a group of 3,099 total covered lives. In 2021, this unit processed supplemental insurance billing in the amount of \$334,798.41, dental/vision totaling \$458,077.94, and \$1,600,858.50 in retirement premiums. In addition, Benefits processed twenty-one (21) retirements and two (2) medical retirements.

ASD is tasked with the coordination of Annual Open Enrollment for ASP Uniformed employees. ASD personnel attends monthly State Employee Health Subcommittee and Board meetings to keep informed of insurance enhancements as well as benefit and rate changes for state employees. In addition, the division staff completes the annual IRS 1095 form reporting and all division contracts.

ASD assisted in and/or completed Special Projects, such as but not limited to, the Government Accounting Standards Board (GASB), Other Post-Employment Benefits (OPEB), Comprehensive Annual Financial Report (CAFR), Patient-Centered Outcomes Research Institute (PCORI), Legislative Audit – ASP Health Plan, Health Insurance Cost Study for US Census Bureau, and assisted in compiling & verifying coverage for 1094 & 1095 reports.

The Criminal Investigation Division (CID) is responsible for criminal law enforcement, including drug enforcement, Internet Child Exploitation, and all other non-traffic enforcement activities. The Division is comprised of six (6) Companies, each of which is responsible for the coverage of two (2) Highway Patrol troops. The Criminal Investigation Division includes several specialized units. The Special Investigations Unit (SIU) conducts white-collar crime and Federal Task Force investigations at the direction of the Division Commander. These Federal Task Forces include the United States Marshal's Office Fugitive Task Force, the Drug Enforcement Administration Task Force, and the FBI ARKTRUST Task Force. The Internet Crimes Against Children (ICAC) section works with local, state, and federal agencies to prevent and prosecute child pornography and other internet crimes against children. The Arkansas State Fusion Center (ASFC) disseminates criminal information and intelligence. Major David Lafferty commanded the Criminal Investigation Division during 2021.

INTERNET CRIMES AGAINST CHILDREN

Since 2003, the Arkansas Internet Crimes Against Children (ARICAC) Task Force Program has been organizationally housed and supported by the Criminal Investigation Division Special Operations Division. The ARICAC is one of 61 coordinated, nationally networked task forces across the United States whose enforcement efforts are supported by Federal grant funding provided by the U.S. Department of Justice (DOJ), Office of Justice Programs (OJP), Office of Juvenile Justice and Delinquency Prevention (OJJDP). Enforcement efforts of the state, county and local law enforcement agencies and non-profit entities participating in the ARICAC Task Force Program are directed toward investigating, prosecuting, and preventing technology-facilitated crimes against children; specifically, the production, distribution and possession of child pornography, sextortion and child sex trafficking.

During the calendar year of 2021, ARICAC received and processed 3,797 CyberTips from the National Center for Missing and Exploited Children resulting in ARICAC Task Force Program participating agencies initiating 853 investigations. Also, during the year, 28 children were identified as victims of abuse, 110 arrests were made, and 439,589 gigabytes of data was examined.

Special Operations of the Criminal Investigation Division consists of the Special Investigations Unit (SIU), the Arkansas Internet Crimes Against Children Task Force (ARICAC), the Digital Evidence Lab (DEL) and the Arkansas State Fusion Center (ASFC).

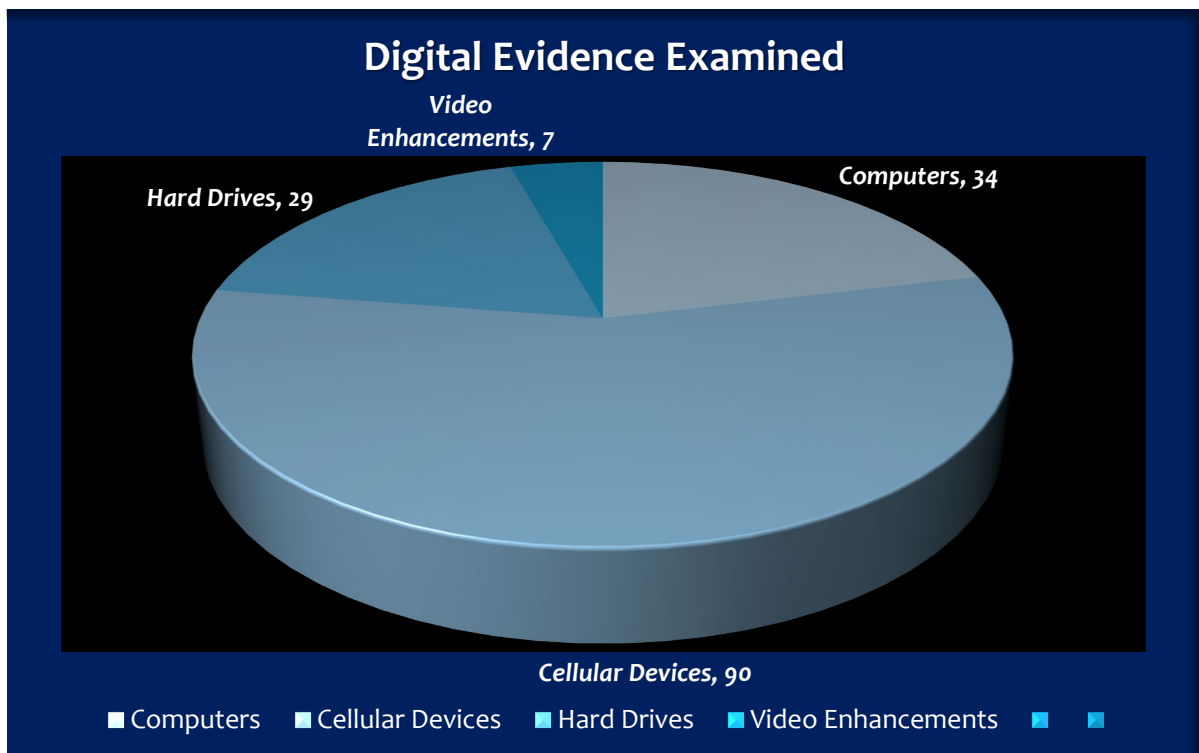

SIU conducts public integrity investigations throughout the state and oversees all federal task force participation by ASP. These specialized federal task forces include the United States Marshal's Office Fugitive Task Force, the Drug Enforcement Administration Task Force, and the FBI ARKTrust Task Force.

SIU includes the Cold Case Unit, which consists of three dedicated personnel in keeping unresolved homicides and long-term missing person's cases in a contemporary status. In 2021, the Cold Case Unit reviewed over 40 cold cases. One arrest was made in a cold case homicide from 2013 in Saline County.

Digital Evidence Lab

The Digital Evidence Lab provides forensic digital examinations of electronic evidence seized or collected by Special Agents across the state and conducts forensic examinations related to ICAC Task Force investigations. In 2021, 67 separate cases were submitted to the DEL for digital examinations and over 50 TB of data was examined.

Celestina Williams
ASFC Administrator

Governor Mike Beebe established the Arkansas State Fusion Center (ASFC) and its governing body, known as the Arkansas State Fusion Center Executive Committee, by Executive Order (EO) 08-11 on May 19, 2008. The EO expressly provided that the Fusion Center be “Organizationally located” within the Division of the Arkansas State Police (ASP). The ASFC is one of 80 coordinated, nationally networked fusion centers across the United States.

In 2021, the ASP provided six full-time civilian personnel as staff to the ASFC: Tina Williams serves as the ASFC Administrator/Director and Chris Carter serves as the ASFC Intelligence Analyst Supervisor. The other ASP personnel are ASFC Senior Intelligence Analyst Shemiracle King and Danny Watkins; ASFC Software Support Specialist Bradley Coleman and Administrative Specialist Janet Parker.

The Executive Committee is comprised of the Director of ASP or the Director’s designee (serves as Chair) and representatives from the following 19 federal, state, and local partners:

1. U.S. Department of Homeland Security
2. U.S. Attorney for the Eastern District of Arkansas
3. U.S. Attorney for the Western District of Arkansas
4. Federal Bureau of Investigation
5. Adjutant General of Arkansas
6. Attorney General of Arkansas
7. Arkansas Department of Health
8. Arkansas Department of Emergency Management
9. Arkansas Crime Information Center
10. Arkansas Department of Correction
11. Arkansas Department of Community Correction
12. Arkansas Game and Fish Commission
13. Arkansas Highway Police
14. Arkansas Prosecuting Attorney’s Association
15. Arkansas Sheriffs’ Association
16. Arkansas Association of Chiefs of Police
17. Office of the Governor.
18. Arkansas Fire Fighter’s Association
19. Arkansas Department of Agriculture

Executive Committee agency directors are encouraged to assign personnel to the ASFC to aid in accomplishing the Fusion Center’s “All Crimes, All Threats” mission of promoting “the collection, integration, and evaluation of information that has an effect on detecting and preventing criminal or terrorist-related activity. . .” while serving “as an intergovernmental bridge between federal, state, and local entities to promote collaboration and information-sharing.”

In 2021, the Arkansas Department of Correction (DOC) provided one full-time senior intelligence analyst and the Arkansas Department of Community Corrections (ACC) provided one full-time senior intelligence analyst. The Arkansas Department of Emergency Management (ADEM) provided one part-time emergency manager to the Fusion Center and the Arkansas Department of Health supports ASFC via an assigned liaison. Finally, the Arkansas National Guard provided one full-time senior intelligence analyst.

Federally, the U.S. Department of Homeland Security (DHS) provides one full-time intelligence officer and two part-time Customs and Border Protection Investigators. The Federal Bureau of Investigation (FBI) has one Intelligence Analyst assigned to the ASFC and one Supervisory Intelligence Analyst to the ASFC in a liaison capacity.

All other operational needs of the ASFC, not supported by the ASP budget, are supported by Federal grant funding provided by DHS and the Federal Emergency Management Agency (FEMA) through the Homeland Security Grant Program (HSGP) administered by ADEM.

The ASFC provides work center space for up to 12 analysts. All fusion center analysts and staff hold at least a “Secret” level security clearance. The approximately 5000+ square foot facility offers additional office, meeting and conference room space and is an alternate operations site for the FBI. The space includes a “Secret” level DHS certified secure room housing both FBI and DHS classified systems. The secure room also supports an operational secure video teleconferencing system (SVTC).

The results of the 2021 ASFC Assessment, conducted by DHS and its interagency partners as well as the National Network of Fusion Centers (National Network), found that the ASFC was 100% compliant in meeting all defined Critical Operational Capabilities (COCs) and Enabling Capabilities (ECs).

CRIMES AGAINST CHILDREN DIVISION

Major Jeffrey Drew
Division Commander

Gary Glisson
Investigations Administrator

Dan Mack
Hotline Administrator

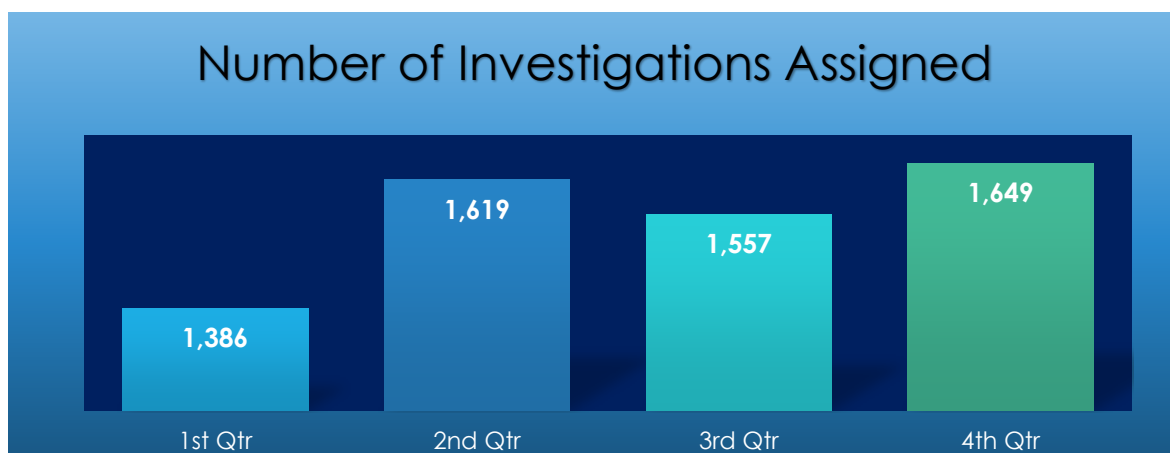

The Crimes Against Children Division (CACD) operates with one (1) Division Commander, one (1) Investigations Administrator, one (1) Admin Specialist III, three (3) Admin Specialist II, eleven (11) Area Managers, seventy-three (73) Investigators, one (1) Hotline Administrator, (5) Hotline Supervisors and thirty-five (35) Hotline Operators.

Child Abuse Hotline operators in the CACD of the Arkansas State Police received 63,085 referrals in 2021. Of these reports, 35,217 were accepted as legally valid allegations of abuse or neglect. They were assigned for investigation to CACD investigators or to the Arkansas Department of Human Services (DHS) Division of Children and Family Services (DCFS).

The reports accepted by the Hotline are divided into categories for investigation, pursuant to an agreement with DHS. This resulted in **6,211** cases being investigated by the CACD's Investigation section in 2021. Each report may contain multiple allegations.

Of the total number of Priority 1 allegations, **3,638** (73%) involved sexual-related offenses.

CACD investigators closed **6,177** referrals in 2021. Of the closed referrals, **2,026** (33%) were found to be 'true'.

The investigative determination of 'true' means there was a preponderance of evidence that indicated the allegation(s) was true. An 'unsubstantiated' finding means the evidence was insufficient to support the allegation(s). Investigations closed with a determination of 'true' were reported to the appropriate prosecuting attorney.

AIR SUPPORT UNIT FLIGHT MISSIONS AND REQUESTS

SPECIAL WEAPONS AND TACTICS (SWAT) TEAM

The Arkansas State Police SWAT team consists of approximately 25 highly trained troopers from various divisions. Selection for this team is highly competitive as are the standards to remain a member of the unit. Team members are dispersed across the state, which allows for immediate response to tactical situations by several members, while the remaining team members travel to the location with specialized equipment. Those members who are certified law enforcement instructors, assist with training at the troop level and for new recruits during a troop school.

In 2021, ASP SWAT members spent approximately 250 hours training. Training focused on problem-solving specific threats such as barricaded suspects, hostage rescue, and counterterrorism missions. Training included less-lethal and chemical munitions, counterterrorism tactics, SWAT K-9 techniques, technology tactics (robots), firearms proficiency, ballistic-vehicle training (B.E.A.R.), rural mission operations, commercial and residential entry techniques, and explosive breaching. The ASP SWAT Team is recognized by the Department of Homeland Security as a Level 1 team (the highest ranking). The ASP SWAT team assisted federal, county, and local law enforcement agencies with several successful tactical missions during 2021. The ASP SWAT Team was activated 13 times in the year 2021.

Following are the activations for the year 2021:

January 11: Six members of the Team were activated to support the Emergency Response Team (ERT) with protests at the Arkansas State Capitol (Pulaski County). The protests were in support of President Trump and stemmed from the storming of the US Capitol the previous week. The protest concluded without incident.

January 20: The Team was again activated to support ERT at the Arkansas State Capitol (Pulaski County) in the event of a violent protest regarding the presidential inauguration. No protests occurred and the event concluded without incident.

April 8: Five members of the Team were deployed to I-30 in Hempstead County for a barricaded suspect in a tractor-trailer at a weigh station. After negotiating with CNT, the suspect surrendered without incident.

April 20: Six members of the Team responded to assist North Little Rock SWAT (Pulaski County) and the FBI with searching a house for an aggravated robbery suspect. The Team members successfully augmented with NLR SWAT and made entry, thus clearing the structure. The suspect was not located but was later arrested at another location by other law enforcement officers.

May 19: The Team was deployed to Helena (Phillips County) for a barricaded murder suspect. The Team surrounded the structure and attempted to contact the suspect but there was no response from the house. The decision was made to enter the structure to search for the suspect. It was determined after the Team made entry that the suspect was not inside and had fled prior to Team arrival. The drone and ASP SWAT K-9 - "Leibo" were used to assist with clearing the structure. The suspect was located 4 weeks later in the same area of the state and was taken into custody by local law enforcement.

May 25: The Team was deployed to Palestine (Saint Francis County) for a suspect that had fled from Troop D Troopers. The suspect was wanted for a shooting in Georgia a few days earlier. The suspect shot and wounded a police officer in Mississippi on May 25 and subsequently stole a police car. The Team coordinated with ASP CID, ADC, and FBI-LR SWAT. After a brief search, the suspect was discovered hiding in a creek and was taken into custody.

September 9: Six members of the Team were deployed to Hensley (Saline County) to assist with locating a homicide suspect that had fled from law enforcement. The Team assisted the Arkansas Department of Correction K9 tracking teams with searching the heavily wooded area but were unable to locate the suspect. He was taken into custody by a local officer the next day while attempting to break into a private residence in the area.

September 12: The Team was deployed to West Helena (Phillips County) for a barricaded suspect who had fired at local police officers and was reportedly holding his children against their will. After negotiating

with CNT, the suspect exited the structure with the children and was taken into custody by members of the Team. The children were safely returned to a family member.

September 22: The Team was deployed to Star City (Lincoln County) for an armed and barricaded suspect that had fired upon police officers that morning. While the Team was arriving, the suspect exited the structure and was arrested by Troopers who were on scene guarding the perimeter.

October 5 – October 6: The Team was deployed to Mayflower (Faulkner County) for an armed and barricaded suspect that had attempted to murder his mother and was firing upon responding law enforcement. After relieving the Faulkner County Sheriff's Office tactical team, The ASP SWAT Team attempted contact with the suspect to establish negotiations but received no response. Non-lethal chemical agents were introduced into the structure but there continued to be no contact with the suspect. After several hours, the Team made entry into the structure and located the suspect in an upstairs bedroom. The suspect was deceased from a self-inflicted gunshot wound.

October 23: The Team, along with LRPD SWAT, was tasked with providing security for the UA vs. UAPB game at War Memorial Stadium in Little Rock (Pulaski County). The game concluded without incident.

October 24: The Team was deployed to Helena (Phillips County) for an armed and barricaded suspect that was believed to have murdered a family member inside the residence. Negotiations were successful and the suspect eventually exited the residence and surrendered to the Team.

November 10: The Team was deployed to Harriet (Searcy County) for an armed suspect that had threatened his neighbors. He refused to surrender to local law enforcement. After negotiating with CNT, while the Team was en route, the suspect exited his residence and surrendered to troopers- assisted by two SWAT members- that were already on scene.

EMERGENCY RESPONSE TEAM (ERT)

The Arkansas Emergency Response Team is comprised of 86 specially trained Troopers. Each Trooper on the team has extensive training in crowd and riot control. In addition to crowd and riot control, 32 specially trained Troopers are assigned to the Search and Rescue Team and an additional 4 team members are assigned to the ASP Drone Team.

In 2021, the team conducted approximately 105 hours of crowd control training. Instructors on the team provided approximately 120 hours of instruction in Mobile Field Force Operations to officers, police recruits, and military police personnel throughout the State of Arkansas. Instruction was provided to Northwest Arkansas Law Enforcement Training Academy, Central Arkansas Law Enforcement Training Academy, Black River Technical College Law Enforcement Training Academy, and the 216th MP unit of the Arkansas National Guard. The training provided is crucial to the State's preparedness for a unified response to any large-scale civil unrest event within the State of Arkansas. The Emergency Response Team deployed 12 times. Each of those deployments were in response to calls for assistance from other agencies. The team responded to 3 crowd control incidents, provided event security at the Arkansas State Fair, and provided tactical assistance to federal law enforcement agencies on two occasions. Also, several members of the team deployed to Helena- West Helena to perform highly visible criminal patrols to address the high crime rate in the area.

The ERT Search and Rescue team deployed 4 times in 2021. One deployment was in response to a missing person, which resulted in the subject being successfully located. Two deployments were to assist with locating and collecting evidence at the request of ASP CID Company A. In addition to deployment within the State of Arkansas, one deployment was at the request of the Louisiana State Police to assist with the disaster response to Hurricane Ida. The largest response of the team in 2021 included 33 members, mostly comprised of ERT Search and Rescue Team members, deploying to the Gulf Coast to assist the Louisiana State Police. During their 14-day deployment, the team assisted LSP with providing assistance to the citizens of Louisiana, performing criminal patrols to address looting in areas affected by the storm, and assisting other responding entities with security and traffic control. ASP ERT members took on a wide variety of tasks, from assisting citizens with pumping gas and handing out food, to responding to 2 active shooter incidents. The team took part in numerous criminal arrests during the deployment, including the arrests of several suspected looters. The response was the first time ASP personnel deployed to another state to assist with a similar incident since Hurricane Katrina in 2005.

CRISIS NEGOTIATION TEAM

The Crisis Negotiation Team is comprised of 12 troopers from both the Highway Patrol and Criminal Investigation Divisions. There is a competitive selection process for all team members and each member is expected to maintain high standards on the team and at their regular assignment. Each team member receives extensive training in active listening and communication skills, including a 40-hour course taught by FBI negotiators. The team trains together eight times throughout the year compiling over 120 hours of training annually. CNT members respond with the SWAT team to all activations and operations. CNT members also respond to assist local agencies around the state to provide negotiation assistance during critical incidents. The primary role of the Crisis Negotiation Team is to diffuse critical incidents through the use of active listening and communication skills.

In 2021, the Crisis Negotiation Team responded with ASP SWAT to six activations and three operations. Members of CNT also responded to three incidents to assist other agencies with negotiations for a total of twelve activations during the year. Members of CNT spent time in active negotiations with subjects during the following incidents:

February 17, 2021: Two CNT members responded to Caddo Valley to assist Clark County Sheriff's Office with an armed barricaded subject. The sheriff's office had received a call for a welfare check on the subject. When they responded to the residence, they heard shots fired from inside the house. CNT was able to make contact with the subject and get him to come out on the carport of the residence. Once on the carport, Clark County Deputies challenged the subject and tased him. The subject ran back into the residence and deputies followed him in where they were able to take him into custody.

March 15, 2021: One CNT member responded to a subject armed with a knife barricaded in a vehicle at the Arkansas Highway Police Commercial Vehicle Weight Station in Crittenden County. CNT carried on a lengthy negotiation with the subject. At some point, another officer tased the subject through the window and several officers pulled him out of the vehicle. Once out of the vehicle and on the ground, the subject used the knife

to attempt to cut his throat and stabbed himself in the leg. He was provided medical assistance on scene and transported to a local hospital.

April 8, 2021: One CNT member responded to the Arkansas Highway Police Commercial Weight Station at Hope for a subject barricaded in a commercial vehicle. CNT assisted AHP officers with a brief negotiation that ended with the subject surrendering to ASP SWAT.

April 24, 2021: One CNT member responded to a subject barricaded with a knife in Washington County. The subject was suicidal and had numerous warrants. He did not want to go back to jail and planned to charge officers with the knife, forcing them to shoot him. After a lengthy negotiation, the subject surrendered and was taken into custody.

August 21, 2021: One CNT member responded to an armed barricaded subject in Lawrence County. Local officers had responded to a welfare check on a subject when she barricaded herself in a bedroom in the residence. Officers attempted to negotiate with the subject from inside the residence when she fired at them. CNT responded and attempted to continue negotiations with the subject mostly through text messaging. After no contact with the subject for a lengthy time, officers entered the residence and found the subject deceased with a single gunshot wound to her chest.

September 12, 2021: CNT responded with SWAT to an armed barricaded subject with children in the residence in Helena. Helena Police Department responded to a call of a child in distress in front of a residence. When officers arrived, they encountered a male subject on the front porch, and he fired at officers before retreating into his residence with the children. Negotiators from the CNT and FBI negotiated with the subject, and his children, for several hours. The subject exited the residence with his children where he encountered several ASP SWAT members. The subject attempted to retreat into the residence but was taken into custody by ASP SWAT.

November 10, 2021: CNT responded with SWAT to a barricaded subject in Searcy County. The geographical layout of the property presented several obstacles to approaching the residence. Negotiators and SWAT members were able to make contact with the subject off and on through phone and by voice from his driveway. The subject would come partially down the driveway then retreat back to his residence. The subject eventually came to the end of the driveway where he was taken into custody.

CRASH RECONSTRUCTION TEAM

The Arkansas State Police Crash Reconstruction Team consists of nine highly trained Troopers from the Highway Patrol Division. One full-time coordinator and eight part-time members dispersed across the state. One member (Sgt. Greg Dycus-Team Coordinator) is nationally accredited through the Accreditation Commission for Traffic Accident Reconstruction (ACTAR).

The ASP Crash Reconstruction Team is one of the most highly trained teams in the nation and spends hundreds of hours each year in continuing education. Along with teaching 120 hours of basic crash investigation at the 2021 ASP Troop School. The team also trains several local departments in crash investigations.

The team utilizes 1 Trimble X-7 3D laser scanner, 5 Nikon Total Station laser mapping devices, 1 RTK (Real Time Kinematics) GPS Station, and 5 DJI Mavic 2 Enterprise drones along with the REVEAL Realworks, and Pix4d computer drawing programs to produce “To Scale” drawings of fatal crash scenes with 1-3 cm’s of accuracy.

In 2021 the ASP Crash Team performed 3 full reconstructions and 3 PIT fatal investigations.

Also, in 2021 the ASP Crash Team analyzed 81 Airbag Control Modules (ACM) using the Bosch Crash Data Retrieval Tool, 26 of which were requested by outside agencies. The ACM is the computer “brain” of the vehicle that decides whether or not to deploy the airbag in a crash situation. The ACM also continually monitors the various functions of the vehicle such as the vehicle’s speed, braking, engine RPM’s, and steering angle.

Additionally, in 2021 the ASP Crash Team flew 87 UAS (drone) missions in conjunction with the reconstruction/ ACM image requests.

The ASP Crash Team experienced a 12.4% increase in requests for assistance from 2020 to 2021.

ASP DRONE TEAM

In 2021, the ASP Drone Team logged 519 flights with 259 hours flown. These missions included search and rescue operations, surveillance for SWAT operations, crash reconstruction, and criminal investigations.

The ASP drone team currently has 12 pilots assigned to the Highway Patrol Division and 6 pilots assigned to the Criminal Investigation Division. All pilots have their FAA Part 107 license and train monthly.

ASP owns a variation of 14 drones, and one assigned to the media unit.

The ASP drone team has assisted other agencies by providing air support, training, policy, procedures, and licensing.

MOBILE INCIDENT COMMAND CENTER (MICC) / TACTICAL COMMAND VEHICLE (TCV)

The MICC and TCV are specialized communication vehicles used by the Arkansas State Police for command and control. The MICC and TCV are equipped with the latest technology to support field personnel and other agencies – local, state, and federal – with tactical operations, disasters, and other emergencies. Troopers assigned to operate these vehicles are trained a minimum of 192 hours per year. Personnel assigned to the MICC and TCV include two full-time troopers and six part-time troopers assigned as needed. In 2021, MICC personnel trained with other agencies to prepare for various types of emergencies which may occur in Arkansas.

Personnel trained with the following:

1. Arkansas State Police SWAT
2. Arkansas State Police CNT
3. Arkansas State Police ERT
4. Arkansas State Police Drone Personnel
5. Arkansas Department of Emergency Management (ADEM)

Our team, along with our equipment, was dispatched to nine SWAT callouts in 2021.

The MICC and personnel was deployed to the Arkansas Razorback Football game at War Memorial Stadium and also had teams working at the Arkansas State Fair.

Some of the regular scheduled events planned during the year were cancelled due to Covid 19.

HONOR GUARD

The Arkansas State Police Honor Guard pays tribute at funerals for in the line of duty deaths and retired Troopers. The Honor Guard also presents the colors at various events throughout the year under the direction of the Director. The Honor Guard currently has 15 active members. The Honor Guard assisted with 12 funerals for the year and presented the colors at 5 events. Honor Guard members attended twenty-four hours of training.

The Honor Guard fulfilled the following requests for services for 2021:

COMMUNICATIONS

Arkansas State Police has a Communications Center staffed 24 hours a day at each of the twelve troop headquarters locations. The Telecommunications Specialists and Supervisors assigned to these centers are tasked with answering calls for service from the public and ensuring that the troopers patrolling the highways are safe.

Calls for service range from reported accidents or incidents occurring on the highways, requests for assistance for stranded motorists, animals, and debris in the road, reports of speeding, texting, or reckless drivers and road rage, to almost anything else one can imagine. Communications personnel contact ambulances, fire departments, other

agencies, tow companies, and complete other tasks requested by troopers to ensure that Arkansas roadways remain clear, safe, and moving freely. Communications personnel are required to track the number of accidents, incidents, fatalities, vehicles towed and stored, and many other things for their troops.

In addition to the above duties, Troop A Communications, located in Little Rock, is responsible for disseminating Arkansas AMBER Alerts, Silver Alerts, and all fatality accident reports for the state of Arkansas. The most important duty of Communications personnel involves monitoring the location and activities of the troopers in each county, responding to their requests, and making sure that each officer goes home safe at the end of his/her shift.
