BASIC STUDENT HANDBOOK ACKNOWLEDGEMENT

It is the PERSONAL responsibility of each basic student to familiarize him/herself with the contents of the *Handbook*. In the event of a breach of the Rules, Regulations, Policies or Procedures contained therein, it SHALL be presumed the basic student was familiar with the content of the *Handbook*

I, _____ have read the contents of the Northwest Arkansas
PRINTED NAME

Law Enforcement Training Academy handbook in its entirety. I am familiar with its contents and understand that the rules and regulations contained therein are for internal use only and shall not be disseminated to the public. Nothing in the basic handbook is to be regarded as limiting in the sense of prohibiting the disciplining or the filing of charges against a student because the alleged act, or omission thereof, does not specifically appear in the handbook.
