

1025. RETIRED OFFICER'S RIGHT TO CARRY WEAPON

This rule is enacted pursuant to federal law to authorize retired law enforcement officers to carry a firearm nationwide without a permit if they satisfy the following requirements:

1. The officer is a retired law enforcement officer as defined by federal law.
2. The officer carries a photographic identification card from their former law enforcement agency as defined by federal law.
3. During the most recent 12 month period, the officer has met, at their own expense, the state's standard for training and qualification of active law enforcement officers to carry firearms.
